

PUBLIC NOTICE
City of Dayton, Ohio 2016-2020 Consolidated Plan
Including City of Dayton and Dayton-Kettering HOME Consortium

The U.S. Department of Housing and Urban Development (HUD) requires cities receiving Community Development Block Grant (CDBG), HOME Investment Partnership (HOME), and Emergency Solutions Grant (ESG) entitlement funds to submit a five-year Consolidated Plan.

The Consolidated Plan is designed to help entitlement communities assess their affordable housing and community development needs and market conditions, and to make data driven, place based investment decisions. The consolidated planning process serves as the framework for a community wide dialogue to identify housing and community development priorities that align and focus funding from CDBG, HOME, and ESG programs. The plan is currently in the development phase and will be submitted to HUD as the 2016-2020 Consolidated Plan no later than November 15, 2015.

A Town Hall Meeting and Public Hearing to obtain input on community needs will be held on Saturday, June 27, 2015, at 10:00 a.m., in Rooms 305 and 306 of the Dayton Convention Center, 22 E. Fifth Street, Dayton, OH 45402.

Community members and stakeholders are invited to complete a Community Needs Survey, available at <https://www.surveymonkey.com/s/DaytonConPlan>, and to participate in Consolidated Plan discussions on Engage Dayton, www.engagedayton.org.

Surveys and comments will be accepted through Tuesday, June 30, 2015. You may navigate to <http://internetdev/departments/pcd/cd/Documents/Consolidated%20Plan%20Needs%20Survey.pdf> to download a printable copy of the Survey.
